How do I delete my project site?

⚠ The project site's owner/site contact can place a request with the Sakai support team (ITSServiceDesk@luc.edu). Please provide the full project site name and the Site URL when requesting deletion.

How do I find my site's URL?

Select Site Info.

👤 Section Info

⚙ Site Info

✋ Attendance

In the project site to be deleted, select the **Site Info** tool from the Tool Menu.

Site information displays.

Site Information

Site Title	New DEV Site
Site URL	Copy to Clipboard
Site contact and email	Instructor Kinne, skinne@luc.edu
Available to	Site participants only
